As veterans, you have demonstrated your commitment to representing the United States overseas. As students, you are able to use the Post-9/11 GI Bill to study and see the world in a different way.

**THINGS TO CONSIDER:**

- Veterans receiving the Post-9/11 or Montgomery GI Bill may use their benefits to help cover the cost of studying abroad.
- Earn 12 to 15 credits during the semester or three to six credits during the summer term.
- Learn a critical language, increase your understanding of foreign cultures and expand your leadership skills for a future career with the government or intelligence community.
- Work closely with your study abroad adviser and the Veteran’s Center to find a program that fits the VA requirements and your personal goals.
- Talk to fellow veterans who have studied abroad.

**CAMPUS RESOURCE:**

- Veteran’s Center [veterans.missouri.edu](http://veterans.missouri.edu) | N5 Memorial Union
STUDY ABROAD HELPS YOU GROW ACADEMICALLY, PROFESSIONALLY AND PERSONALLY. THE INTERNATIONAL CENTER PROVIDES RESOURCES TO EMPOWER YOU TO TAKE YOUR UNIQUE BACKGROUND, TALENTS AND EXPERIENCES ABROAD AND BECOME A SUCCESSFUL GLOBAL LEADER.
