Tools for School

Getting IT Ready for Your Needs!

Microsoft Office

Enrolled students automatically have access to Microsoft 365 at no additional cost. Log in to your student email account to download the Office Suite (Word, Excel, PowerPoint, and OneNote).

OneDrive Storage

Tied to your Microsoft 365 license with up to 5 TB of free storage for all enrolled students.

Email on Your Devices

Don't forget to stay connected to your email. DoIT has instructions about setting up university email on your computer and mobile devices.

Printing on Campus

Print Anywhere is the printing service on campus. You can print from your personal computer to printers all over campus!

Campus WiFi

TigerWiFi is the wireless network on campus. To connect, use your university username and password.

MizzouOne App

Download the free mobile app for MizzouOne. Open your room door, look at the campus map, and discover what's on the menu around campus today!

Everything You Need to Know About Technology at Mizzou
