What is OPT STEM extension?

- Benefit of F-1 status for certain science, technology, engineering or math degree holders

- Extension of initial OPT by 24 months for a total of 36 months

- Job must be related to STEM-eligible major
You are eligible to apply for the STEM extension if:

- You are currently on post-completion OPT.
- You are working in a paid position related to your STEM-qualifying major.
- Your employer is registered with E-verify employment verification system.
- Your position is more than 20 hours per week.
You may be eligible for a STEM extension based on a previously earned degree if you meet the following criteria:

▪ Your degree must be earned from a currently accredited, SEVP-certified school. You are responsible for providing documentation that the school is accredited.

▪ You must currently be on OPT for your most recently awarded degree (current degree does not need to be STEM eligible).

▪ The prior degree must be at the bachelor’s level or higher and have been conferred within 10 years from the date you submit your application to USCIS.

▪ The prior degree must be on the current STEM designated degree programs list at the time of application.

▪ The employment must be related to the previously earned STEM degree.

Timing tips

- Application must be received by USCIS **before** initial OPT ends
- Mail or submit online application within a timely manner
- As long as your OPT STEM extension application has been received by USCIS and is pending, you can continue working up to 180 days beyond your initial OPT end date with the STEM OPT employer
Maintaining F-1 status
Maintaining F-1 status on STEM OPT

- Employment must be paid
- Employer must be registered with E-verify
- Must work more than 20 hours per week
- Can switch employers
- Can work for multiple employers, but each job must be more than 20 hours per week
- Can take part-time incidental courses, but cannot start another academic program
- No more than 150 days of total unemployment (this includes whatever you have already used of the 90 days of unemployment allowed during initial OPT)
Reporting requirements
Reporting requirements

Update myStatus within 10 days of:

> Moving to a new address

> Finding employment or switching employers
  ▪ Must include a new I-983 which corresponds to new employment opportunity

> Ending employment
  ▪ Must include a completed I-983 “Final Evaluation” section for your recently-ended position

> Any material changes to, or deviations from, your formal training plan that was initially reported on the I-983
Six-month reporting

- You must report your employment to International Student and Scholar Services through myStatus every six months while you are on your STEM extension, even if there are no changes.
- These can be completed within your original STEM extension request in myStatus.
- You will receive email reminders from SEVP in advance of these deadlines.
- Failure to report may result in SEVIS record termination.
Six-month reporting

At 12 and 24 months, you must also submit completed self-evaluations in myStatus
STEM reporting timeline

- **6 months**
  - Verify address and employment

- **12 months**
  - Verify address and employment AND submit an I-983 “Evaluation on Student Progress”

- **18 months**
  - Verify address and employment

- **24 months**
  - Verify address and employment AND submit an I-983 “Final Evaluation on Student Progress”
After STEM OPT
60-day grace period

- Leave the United States
- Continue your studies at Mizzou
- Transfer your SEVIS record to a different school
- Change to another visa status

If you are not sure which option is best for you, meet with an international student adviser to discuss your situation.
